

KRISTINE LUNDGREN
320 Ferguson Building
Department of Communication Sciences and Disorders
University of North Carolina at Greensboro
Greensboro, NC

PROFESSIONAL EXPERIENCE

Work History

University of North Carolina at Greensboro (2007-present)

Tenured Associate Professor in the Department of Communication Sciences and Disorders (2011-present)

Interim Chair, Department of Communication Sciences and Disorders (2011-2013)

Director of Graduate Study, Department of Communication Sciences and Disorders (2013-2015)

Adjunct Faculty in the Department of Gerontology (2016- present)

Faculty Fellow Lloyd International Honors College (2016-present)

Casa Colina Center for Rehabilitation (2013-present)

Visiting Scholar

Boston University School of Medicine, Department of Neurology, Boston, MA (2001-2007)

Research Assistant Professor in the Department of Neurology (2001-2014)

Administrative and Clinical Director of the Harold Goodglass Aphasia Research Center (2002-2007)

NIH Postdoctoral Fellowship, NIDCD, Aphasiology (2001)

Emerson College, Department of Communication Disorders, Boston, MA (2003-2006)

Adjunct Professor, Communication Disorders Department

Braintree Rehabilitation Hospital, Braintree, MA (1995-2001)

Director of Business Development

Administrative Director of Inpatient Rehabilitation Programs

Administrative Director of Neurobehavioral Units

Director of the Center for Communication Disorders and Neuropsychology

Spaulding Rehabilitation Hospital, Boston, MA (1993-1995)

Speech-Language Pathologist

K & K Associates, Braintree, MA (1986-1995)

Associate Director of Private Practice in Speech-Language Pathology

Braintree Rehabilitation Hospital, Braintree, MA (1991-1993)

Director of the Language-Learning Centers

Spaulding Rehabilitation Hospital, Boston, MA (1981-1986)

Speech-Language Pathologist

Research Speech-Language Pathologist
Acting Assistant Director

EDUCATION

Boston University, Boston MA
Sc.D., Communication Disorders, 1997

Boston University, Boston, MA
M.S., Speech-Language Pathology, 1981

University of Connecticut, Storrs, CT
B.A., Speech-Language Pathology and Audiology, 1979

CERTIFICATIONS

Certificate of Clinical Competency in Speech-Language Pathology, American Speech, Language, and Hearing Association (1982-present)
North Carolina State License, Speech-Language Pathology, North Carolina Board of Examiners (2011-present)
Massachusetts State License, Speech-Language Pathology, Massachusetts Licensing Board (1982-present)
Mindfulness Based Stress Reduction Trainer, Center for Mindfulness, University of Massachusetts Medical School (2004)
Teacher Online Certification: The Online Learning Consortium (2014)
Intercultural Development Training (IDI) Certificate (2016)

HONORS AND AWARDS

ASHA Merit Award (2011)
ASHA Merit Award (2015)
Selected for faculty membership in the Eta Delta Chapter of UNCG's Phi Beta Delta International Scholars Honor Society (2016)
Named Llyod International Honors College Faculty Fellow (2016)
UNCG International Programs Kohler Fund Award (2013)
UNCG International Programs Kohler Fund Award (2016)

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

Academy of Neurologic Communication Disorders and Sciences (2001-present)
American Speech, Language, and Hearing Association (1982-present)
 ASHA Special Interest Division 2 (Neurophysiology and Neurogenic Speech and Language Disorders)
 ASHA Special Interest Division 1 (Language Learning and Education)
 ASHA Special Interest Division 10 (Issues in Higher Education)
 ASHA Special Interest Division 17 (Global Issues in Communication Sciences and Related Disorders)
American Congress of Rehabilitation Medicine (2001-present)

ACRM Girls and Women with Brain Injury Special Interest Group
ACRM Stroke Special Interest Group
ACRM Complementary Alternative Medicine Special Interest Group
Northeast Chapter of the American Stroke Association (2002-2008)
Brain Injury Association of Massachusetts (2001-2013)
Brain Injury Association of North Carolina (2013-present)
Eta Delta Chapter of UNCG's Phi Beta Delta International Scholars Honor Society (2016)
International Neuropsychological Society (2003-2012)

TEACHING

Doctoral

CSD 760 - Advanced Doctoral Seminar in Brain and Behavior (UNCG)
CSD 760 - Advanced Doctoral Seminar in Instrumentation and Technology (UNCG)
CSD 760 - Advanced Doctoral Seminar in Neurobehavior and Communication Disorders (UNCG)
CSD 760 - Advanced Doctoral Seminar in Cognition and Communication (UNCG) Co-taught with Dr. Nancy Helm-Estabrooks
CSD 760 - Advanced Interdisciplinary Doctoral Seminar in Genetics and Allied Health (UNCG) Team-taught with Dr. Susan Phillips, Audiologist and Dr. Vincent Henrich, Molecular Geneticist and Director Center for Biotechnology, Genomic and Health Research
CSD 760 - Advanced Interdisciplinary Doctoral Seminar in Genotype to Phenotype (UNCG) Team-taught with Dr. Susan Phillips and Dr. Vincent Henrich
CSD 751 – Professional Doctoral Seminar (UNCG)
CSD 790 - Directed Research in Cognitive-Linguistic Disorders (UNCG)
CSD 790 - Directed Research in Traumatic Brain Injury (UNCG)
CSD 790 - Directed Research in Right Hemisphere Disorders (UNCG)
CSD 790 - Directed Research in Discourse Deficits in Adult Neurogenics (UNCG)
CSD 790 - Directed Research in Brain Mapping (UNCG)
CSD 790 - Directed Research in Genetics of Recovery from TBI (UNCG)
Team-taught with Dr. Vincent Henrich
CSD 790 – Directed Research in Family History and Stroke (UNCG)
Team-taught with Dr. Vincent Henrich
CSD 790 – Directed Research in Aphasia Test Development in Arabic
CSD 790 - Independent Study in Grant Writing

Master's

CSD 588- Neurology for Speech and Hearing Sciences: Graduate (UNCG)
CSD 606 - Cognitive Linguistic Disorders in Adults (UNCG)
CSD 640 - Communication Disorders Across the Life Span: Adults (UNCG)
CSD 632 - Research Methods in Communication Sciences and Disorders (UNCG)
CSD 633 - Special Projects in Communication Sciences and Disorders (UNCG)
CSD 678 - Advanced Clinical Practicum in Speech-Language Pathology (UNCG)
CSD 692 - Cognitive-Linguistic Disorders (Emerson College)

Undergraduate

CSD 333 - Independent Study in Adult Neurogenics (UNCG)
CSD 580- Introduction to Cognitive-Linguistic Disorders in Adults (UNCG)
CSD 588- Neurology for Speech and Hearing Sciences (UNCG)

SERVICE

PROFESSIONAL SERVICE ACTIVITIES

Guest Editor, Seminars in Speech and Language, Thieme Medical Journal and Scientific Journal (2005)
Board of Directors, Massachusetts Brain Injury Association (2001-2009)
Chair of Public Policy Committee, Massachusetts Brain Injury Association (2006-2009)
Committee Co-chair, Northeast Chapter of the American Stroke Association, Rehabilitation and Recovery Committee (2007)
Executive Board, Charlestown Recovery House in Charlestown, MA (2007-2011)
ASHA Convention Program Reviewer Language and Learning in School-Age Children and Adolescents (2007)
ASHA Convention Program Reviewer Language Disorders in Adults (2008)
ASHA Convention Program Reviewer Language Science (2009)
Advisory for Stroke Standards to the Commission on Accreditation of Rehabilitation International (CARF) (2011)
Minority Student Leadership Program Simulation Reviewer ASHA (2013)
Associate Editor, Journal of Speech-Language-Hearing Research (2013-2017)
ASHA Convention Program Reviewer Global Issues and Practices across the Discipline (2015)
Professional Board, Aphasia Hope Foundation (2005-present)
ASHA initiative: Taught 3-week online course to SLP students at the University of Guyana (2016)
Academy of Neurological Communication Disorders and Sciences Right Hemisphere Disorder Writing Group (2016-present)

AD HOC REVIEWING (Granting Agencies)

Alzheimer's Association
NIH: Minority/Disability Predoctoral Fellowship Special Emphasis Review Panel for the Center for Scientific Research, NIH
NIH: National Institute on Deafness and Other Communication Disorders
Special emphasis panel: ZRG1 BBBP-L 58 R, RFA-OD-09-003: Challenge Grants Panel 24
Special emphasis panel: ZRG1 RPHB-E 58 R, RFA OD-09-003: Challenge Grants Panel 27
The New International Fellowship Mobility Programme for Experienced Researchers (NEWFELPRO)
NIDRR: RRTC on Health and Function of Individuals with Physical Disabilities Grant

PEER REVIEWER (journals/textbooks)

Aphasiology
American Journal of Speech-Language Pathology and Audiology
International Neuropsychological Association
Journal of Neurotrauma
Journal of Speech, Language and Hearing Research (Associate Editor)
Journal of Trauma
Kinesiology
Seminars in Speech and Language (Guest Editor)

UNCG SERVICE ACTIVITIES

University

Dodson-Newton Fund Committee (2008-2010)
Academic Computing Committee (Chair) (2008-2012)
Academic Teaching and Technology Committee (2009-2011)
Teaching and Learning Center Committee (2011)
Search Committee for Director of Teaching and Learning Center
Merit Awards Committee (2008-2012)
Veterans and Families Task Force (2010-2014)
Research Policy Committee (2013-2015)
Quality Enhancement Plan Design Committee on Global Engagement (2013-2015)
Advisory Committee for International Programs (2014-2016)
Strategic Plan Initiation Committee for the Capstone (2014)
Budget Committee (2015-2017)
First Year Summer Read Committee (2015)
Global Engagement Institute (2013-present)
Intercultural Development Trainers Group (2016-present)
Online Learning Committee (2017-present)
Best Dissertation Award Committee (2017)

School

Executive Committee for the School of Health and Human Performance (2009-2011)
Center for Healthy Aging and Living Study Committee (2010)
Research Advisory Committee (2010-2011)
Director, Office of International/Global Programs (2013-2015)
Committee for International/Global Programs (Chair) (2013-2015)
Committee for International/Global Programs (2015-present)
Promotion and Tenure Committee (2015-present)

Department

Interim Department Chair (2011-2013)
Director of Graduate Study (2013-2015)
Graduate advisor (2013-2015)
Graduate Admissions Committee (2008-present)
Doctoral Education Committee (2008-present)
Faculty Search Committee
Department Chair Search Committee
Doctoral Committee member for 12 (Speech-Language Pathology, Audiology, and Nursing)
(2008-present)
Undergraduate Advisor (2015-present)
Primary advisor to 4 doctoral students (2008-present)

RESEARCH

Research Support (funded only)

CURRENT

University of North Carolina at Greensboro: Regular Faculty Grant (Co-PIs: Lundgren and He)
Augmentative and Alternative Communication Training for Teachers in China
01/16-5/18
\$6,000

University of North Carolina at Greensboro: School of Health and Human Sciences Research
Excellence Grant (PI: Lundgren)
Traumatic Brain Injury and Intimate Partner Violence
04/16-8/17
\$5,000

PAST

P30 DC 05207 (Martin L. Albert, PI; Kristine Lundgren, Clinical and Administrative Core
Director; William Milberg, Data Management Core Director)
The National Institute on Deafness and Other Communication disorders (NIDCD)
Boston University Aphasia Research Center: Assessment Core
10/01/01 – 08/30/07
Total Direct Cost: \$1,850,000 (5 years)

R21 DC007165-01A1 (Kristine Lundgren, PI)
NIDCD
Metaphor Treatment Project
8/01/05-4/31-08
Total Direct Cost: \$310,000 (2 years)

Planning Grant (Kristine Lundgren, PI)
Greater Boston Council on Alcoholism
Charlestown Recovery House
7/01/06-6/30/08
Total Direct Cost: \$16,000 (2 years)

R01 (Hiram Brownell, PI at Boston College and Kristine Lundgren, PI subcontract at Boston
University School of Medicine)
NIDCD
Metaphor Training Program
10/01/07-8/30/11
Total Direct Cost for 4 years \$543,000 (BU subcontract)

University of North Carolina at Greensboro: New Faculty Grant
Theory of Mind Training
07/01/08-04/01/10
\$5,000

Winston-Salem Foundation (Kristine Lundgren, PI)
Therapeutic riding for TBI survivors
5/21/09-4/30/10
\$5,000

Smart Choices Boston (Kristine Lundgren, PI)
Program for Women Living in Charlestown, MA
8/1/10-7/31/11
\$16,000

HRSA (Michael Campbell, Co- Principal Investigator and Kristine Lundgren, Co-Principal Investigator;)
Telerehabilitation for Individuals Living in Rural Areas of North Carolina with Acquired Brain Injury
10/1/10-6/30/12
Total Direct Cost: \$300,00

Coalition for Diverse Language Communities Fellowship (Co-Investigators: Ang Chen, Kristine Lundgren, Ye He). Intercultural Exploration of Chinese Education, Health, and Sports through a Comprehensive Cross-Cultural Experience.
6/13-8/14
\$5,000

P021A140018: (Co-PIs: Ye and Lundgren).
Fulbright-Hays Group Project Abroad Award
Experiencing China: Designing Curriculum Activities for All Learners
09/30/14-03/31/16
Total Direct Cost: \$73,300

Conference Presentations:

Lundgren, K., Moya, K. L., Benowitz, L.I. (1984). *The perception of nonverbal cues after right brain damage*. Presentation at the annual International Neuropsychological Society Conference, Aachen, Germany.

Lundgren, K., Moya, K.L., Benowitz, L.I. (1984). *Deficits in nonverbal communication following right brain damage*. Presentation at the annual convention of the American Speech-Language and Hearing Association, San Francisco, CA.

Lundgren, K., (1984). *Functional communication deficits following right brain damage: A case study*. Presentation at the annual conference American Academy of Physical Medicine/American Congress of Rehabilitation Medicine, Boston, MA.

Lundgren, K., Moya, K. L., Benowitz, L.I. (1984). *Communication deficits and rehabilitation in the right hemisphere damaged patient*. Presentation at the American Academy of Physical Medicine/American Congress of Rehabilitation Medicine, Boston, MA.

Lundgren, K., Moya, K. L., Benowitz, L.I. (1984). *Perception of nonverbal cues following right brain damage*. Presentation at the annual Clinical Aphasiology Conference.

Lundgren, K. and Woodmansee, R. (1985). *Job re-entry following stroke: the implications of cognitive deficits*. Presentation at the annual convention of the American Academy of Physical Medicine/American Congress of Rehabilitation Medicine, Boston, MA.

Lundgren, K., Moya, K.L. (1985). *Instruments for cognitive assessment of right brain damaged patients*. Short course presentation at annual convention of the American Speech and Hearing Association. Washington, DC.

Lundgren, K., Helm-Estabrooks, N., Magnusdittir, S., and Emery, P. (1994). *Perseveration in aphasia*. Poster presentation at the annual meeting of the Academy of Aphasia, Boston, MA.

Lundgren, K. & Mentis, M. (1994). *The effects of prenatal cocaine and other drug exposure on play*. Poster presentation at the annual convention of the American Speech-Language Hearing Association. New Orleans, LA

Lundgren, K. & Mentis, M. (1996). *Effect of multiple risk factors including prenatal cocaine-exposure on exploration in play*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Seattle, Washington.

Diamond, S. and Lundgren, K. (1997). *Mild Head Injury in Adults and Children*. Short Course presentation at the annual convention of the American Speech-Language Hearing Association, Boston, MA.

Mentis, M. and Lundgren, K. (1997). *Effects of prenatal exposure to cocaine and associated risk factors on play and language development: An update*. Technical presentation at the annual convention of the American Speech-Language Hearing Association, Boston, MA.

Lundgren, K., Leavell, C., and Ussman, A. (1997). *Attention Deficit Disorder*. Presentation at Braintree Hospital's Grand Rounds, Braintree, MA

Lundgren, K. (1998). *Traumatic Brain Injury in Adolescents*. Presentation at the Alabama Head Injury Association Conference in Birmingham, Alabama.

Pluth, S., Bogdanova, Y., White, R. F., Lundgren, K., and Albert, M. (2003). *Examination of auditory and visual memory spans in an aphasic population*. Poster presentation at the Annual International Neuropsychological Society Conference, Honolulu, Hawaii.

Lundgren, K, Brownell, H., and Fond, M. (2004) *Treatment of metaphor comprehension impairment subsequent to right hemisphere brain injury*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Philadelphia, PA.

Lundgren, K. (2004). *Assessment and Treatment of Right Brain Damage*. Invited presentation to the Cape Cod Speech-Language Pathology Organization. Hyannis, MA.

Lundgren, K. (2005). *Incorporating mindfulness training into speech-language treatment programs for adolescents*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, San Diego, CA.

Leritz, E., McGlinchey, R. Grande, L., Lundgren, K., Albert, M., & Milberg, W. (2006). *Using preserved lexical access to estimate premorbid IQ in aphasia*. Poster presentation at the 34th Annual meeting of the International Neuropsychological Society, Boston, MA.

Lundgren, K. (2006). *Complementary and alternative approaches to treating communication disorders*. Invited presentation at the annual convention of the Canadian Speech-Language and Hearing Association, Winnipeg, Manitoba.

Lundgren, K., Brownell, H., Roy, S., & Cayer-Meade, C. (2006). *A metaphor comprehension intervention for patients with right hemisphere brain damage: A pilot study*. Poster presentation at the annual meeting of the Academy of Aphasia, Victoria, BC

Leritz, E., McGlinchey, R., Grande, L., Lundgren, K., & Milberg, W. (2006). *Measuring premorbid IQ in aphasia using indirect lexical access*. Poster presentation at the annual meeting of the Academy of Aphasia, Victoria, BC

Lundgren, K., Brownell, H., Cayer-Meade, C., & Roy, S. (2006). *Remediation of metaphor comprehension deficits: A pilot study*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Miami, FL.

Cayer-Meade, C., Brownell, H., Lundgren, K., & Nichols, M. (2007). *A metaphor comprehension intervention for patients with traumatic brain injury: A case study*. Poster presentation at the annual convention of the Brain Injury Association of Massachusetts, Marlboro, MA.

Martin, P., Naeser, M., Lundgren, K., Klein, R. (2007). *Improvement in chronic aphasia following CPAP & TMS*. Short Course presentation at the annual convention of the American Speech-Language Hearing Association, Boston, MA.

Lundgren, K., Brownell, H., Cayer-Meade, C., & Spitzer, J. (2007). *Theory of mind training following right hemisphere brain damage*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Boston, MA.

Lundgren, K., Brownell, H., Cayer-Meade, C., Spitzer, J., Nichols, M., & Caddick, K. (2007). *The Appropriateness of Metaphor Interpretation Scale (AMIS)*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Boston, MA.

Lei, C., Nicholas, M., Kearns, K., Loft, G. & Lundgren, K. (2007). *Right hemisphere communicative functions in right hemisphere aphasia: Case study*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Boston, MA.

Lundgren, K. (2008). *New trends in traumatic brain injury treatment*. Invited speaker at the annual Brain Injury Association of Massachusetts Convention.

Lundgren, K., Brownell, H., Cayer-Meade, C., (2008). *A novel tool for treating right hemisphere brain damage*. Poster presentation at the annual conference of the American Congress of Rehabilitation Medicine, Toronto, Canada

Lundgren, K., Brownell, H., Cayer-Meade, C., (2008). *Theory of mind training following traumatic brain injury: A pilot study*. Poster presentation at the annual conference of North America Brain Injury Society, New Orleans, LA.

Lundgren, K., Brownell, H., Cayer-Meade, C., & Milione, J. (2008). *Metaphor training for patients with right hemisphere brain damage: Preliminary results*. Technical presentation at the annual convention of the American Speech-Language Hearing Association, Chicago, IL.

Minga, J., Lundgren, K., Brownell, H., & Cayer-Meade, C. (2008). *Conversational discourse before & after metaphor comprehension training: A pilot study*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Chicago, IL.

Cralidis, A. & Lundgren, K. (2009). *Verbal fluency patterns in individuals with traumatic brain injury*. Poster presentation at the 37th Annual Meeting of the International Neuropsychological Society, Atlanta, GA.

Minga, J., Lundgren, K., Brownell, H., & Cayer-Meade, C. (2009). *An analysis of discourse production and working memory in one individual with right hemisphere brain damage*. Poster presentation at the 37th Annual Meeting of the International Neuropsychological Society, Atlanta, GA.

Lundgren, K. (2009). *Mindfulness Based Stress Reduction (MBSR) for individuals with chronic nonfluent aphasia*. Poster presentation at the 7th Annual International Scientific Conference for Clinicians, Researchers and Educators Investigating and Integrating Mindfulness in Medicine, Health Care and Society, Worcester, MA

Flynn, P., Lundgren, K., & Mankoff, L. (2009). *Adults with traumatic brain injury and horses: An innovative therapeutic technique*. Poster presentation at the annual convention of the North Carolina Speech Language and Hearing Association, Raleigh, NC.

Brownell, H., Lundgren, K., Cayer-Meade, C., Milione, J., & Kearns, K. (2009). *Metaphor training in individuals with right hemisphere brain damage: Preliminary findings*. Presentation at the Annual Clinical Aphasiology Conference, Keystone, Colorado.

Lundgren, K., Brownell, H., Cayer-Meade, C., Milione, J. & Katz, D. (2009). *Theory of mind training for individuals with traumatic brain injury*: Poster presentation the annual conference of the American Congress of Rehabilitation Medicine, Denver, Colorado.

Cralidis, A., Lundgren, K., & Hooper, C. (2009). *The blog days of summer: Blogging & traumatic brain injury*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, New Orleans, LA.

Johnson, L., Lundgren, K., & Mayo, R. (2009). *Knowledge of the minimally conscious state in traumatic brain injury*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, New Orleans, LA.

Brownell, H., Lundgren, K., Cayer-Meade, C., Milione, J., Kearns, K., & Katz, D.I. (2010). *Metaphor Training in Individuals with Traumatic Brain Injury: Preliminary Findings*. Presentation at the Annual Clinical Aphasiology Conference, Isle of Palms, SC.

Johnson, L., Lundgren, K., & Mayo, R. (2010). *What Do Practicing Speech-Language Pathologists Know About Minimally Conscious State: Results of a Pilot Survey?* Poster presentation the annual conference of the American Congress of Rehabilitation Medicine, Montreal, Canada.

Lundgren, K., Brownell, H., Cayer-Meade, C., Jablonski, C. (2010). *Attention Processing Training and Theory of Mind Performance: Results from a Pilot Study*. Poster presentation the annual conference of the American Congress of Rehabilitation Medicine, Montreal, Canada.

Cralidis, A. & Lundgren, K. (2010). *Effects of Structured Training on Verbal Fluency Following TBI*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Philadelphia, PA.

Flynn, P., Lundgren, K., & Mankoff, L. (2010). *Equine-Assisted Therapy: Treatment for Adult Survivors of TBI*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Philadelphia, PA.

Wantsala, J., Shirley, J., & Lundgren, K. (2010). *The Use of Mindfulness-Based Stress Reduction in Treating Aphasia*. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Philadelphia, PA.

Brownell, H., Kearns, K., & Lundgren, K. (2010). *A Comparison among Different Approaches to Data from Single Subject Designs*. Presentation at the annual meeting of the Academy of Aphasia, Athens, Greece.

ASHA Merit Award: Johnson, L., Lundgren, K., & Henrich, V. (2011). Biomarkers Associated with TBI and the Implications for Assessment /Treatment. Poster presentation at the annual convention of the American Speech-Language Hearing Association, San Diego, CA.

Lundgren, K., Campbell, M., Brownell, H., Brennan, D., McKee, A., Morgan, M., & Sack, C. (2011). Cognitive Rehabilitation via Telerehabilitation for TBI: Investigating the Potential. Poster presentation at the annual convention of the American Speech-Language Hearing Association, San Diego, CA.

Lundgren, K., Brownell, H., Jablonski, C., Bennett, V., & Case, J. (2011). Improving Theory of Mind (ToM) Performance: A Training Study. Poster presentation at the annual convention of the American Speech-Language Hearing Association, San Diego, CA.

Minga, J. & Lundgren, K. (2011). A Tool Assessing Conversational Discourse in Right Hemisphere Brain Damage. Poster presentation at the annual convention of the American Speech-Language Hearing Association, San Diego, CA.

Lundgren, K. & Brownell, H. (2011). Remediation of Theory of Mind Impairments in Adults with Acquired Brain Injury. Invited presentation at the 32nd Annual Braintree Rehabilitation Hospital Neurorehabilitation Conference. Cambridge, MA.

Lundgren, K. and Johnson, L. (2012). Mild Traumatic Brain Injury. Presentation at the annual North Carolina Speech-Language Hearing Association Conference. Concord, NC.

Minga, J. & Lundgren, K. (2013). Question Use Following Right-Hemisphere Brain Damage. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Chicago, IL.

Johnson, L., Lundgren, K., & Henrich, V. (2013). Factors Influencing Recovery from Mild TBI. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Chicago, IL.

Bhatt, I., Phillips, S., Richter, S., Morehouse, R., Lundgren, K., & Henrich, C. (2013). A polymorphism in human estrogen-related receptor beta (ESRR β) related with physiologic measures of noise-induced hearing loss. Presented at the 63rd Annual Meeting of the American Society of Human Genetics, Boston, MA.

Hunnicut, G., Lundgren, K, Murray, C., and Olson, L. (2014). Traumatic Brain Injury and Battered Women: Understanding the social, clinical, and communicative context. Innovations in Domestic and Sexual Violence. Oral presentation at the Research and Practice Conference: Promising Practices for a Peaceful North Carolina, Greensboro, NC.

Scarce, L., Wells, R., & Lundgren, K. (2014) Toward a Training Paradigm for Clinical Singing Voice Rehabilitation. Oral presentation at the Annual Voice Foundation Symposium, Philadelphia, PA.

Minga, J. & Lundgren, K. (2014). Question Production During Structured Discourse Tasks in Right-Hemisphere Brain Damage. Poster presentation at the annual convention of the American Speech-Language Hearing Association, Orlando, FL.

Bhatt, I., Phillips, S., Richter, S., Tucker, D., Lundgren, K., Morehouse, R., & Henrich, V. (2015). A polymorphism in human estrogen-related receptor beta (ESRR β) predicts noise-induced hearing loss. Presentation at the annual convention of the American Speech-Language Hearing Association in Denver, CO.

ASHA Merit Award: Lundgren, K., Quinlan, J., Spence, D., Murray, C., Hunnicutt, G., & Olson, L. (2015). Traumatic brain injury resulting from intimate partner violence. Poster session presented at the annual convention of the American Speech-Language Hearing Association, Denver, CO.

Flynn, P., Lundgren, K., He, Y., Maykish, M., & Abdelaziz, M. (2015). Speech-Language Pathology Practices in Chinese Schools. Poster session presented at the annual convention of the American Speech-Language Hearing Association, Denver, CO

Hunnicut, G., Lundgren, K, Murray, C., and Olson, L. (2016). The Intersection of IPV and TBI: A Call for interdisciplinary research. Platform presentation at the International Summit on Female Concussion and TBI. Washington DC.

Lundgren, K, Murray, C., Hunnicutt, G., and Olson, L. (2016). Screening for traumatic brain injury in survivors of intimate partner violence. Poster presentation at the International Summit on Female Concussion and TBI. Washington DC.

He, Y., Lundgren, K., & Pynes, P. (2016) Teacher Intercultural Development through Short-Term Curriculum Design Abroad. Presentation at the annual conference of the Association of Teacher Educators. Chicago, Illinois.

Lundgren, K., Murray, C., Olson, L., Hunnicutt, G., Crowe, A. & Klein, R. (2016). Risk for Traumatic Brain Injury in Survivors of Intimate Partner Violence. Platform presentation at the American Congress of Rehabilitation Medicine Annual Conference. Chicago, Illinois.

Lundgren, K., Murray, C., Olson, L., Hunnicutt, G., Crowe, A. & Klein, R. (2017). Developing a community-based tool to screen for IPV related TBI. Workshop for community stakeholders. Guilford Family Justice Center, Greensboro, NC.
